

Intro to the Unreached

Part 2

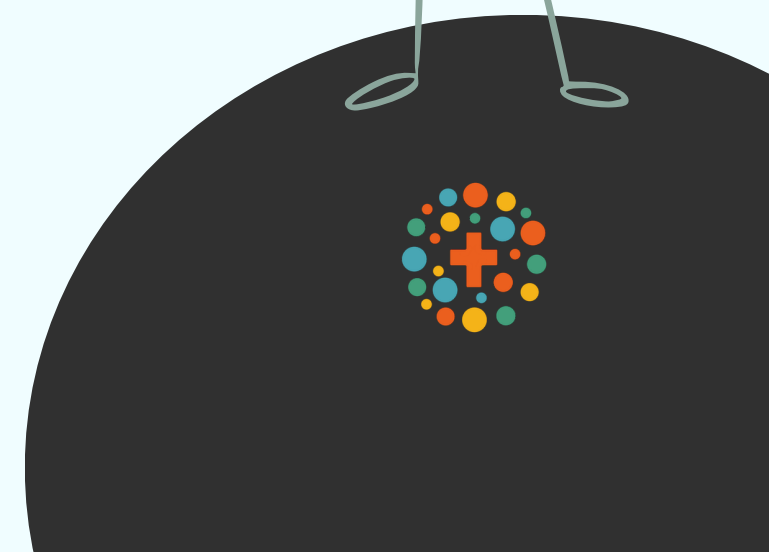

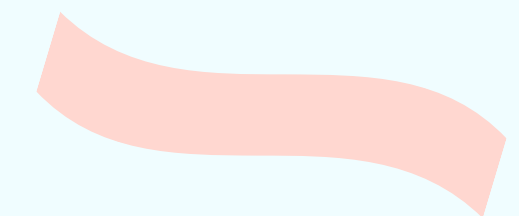

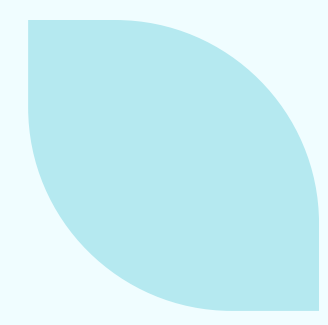

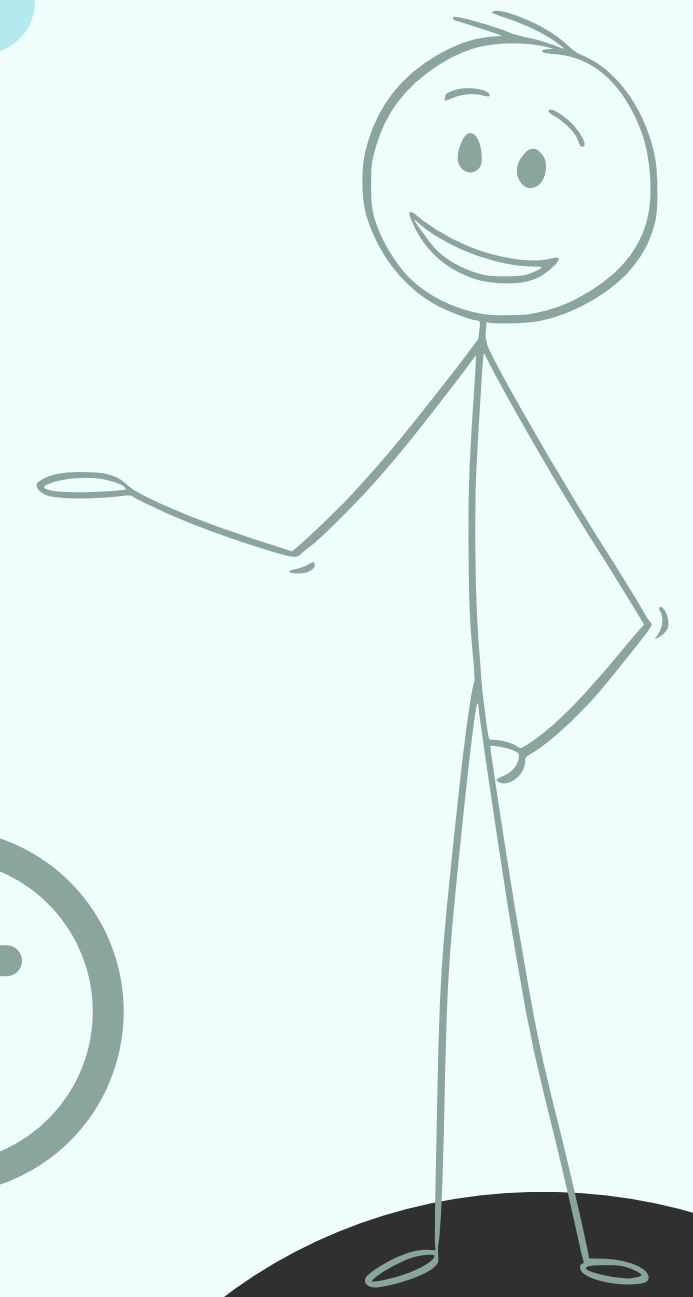

**Everyone is
different...**

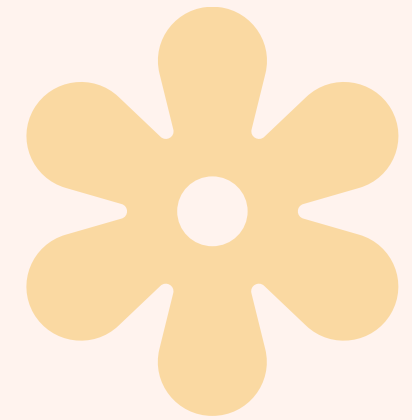

Whether...

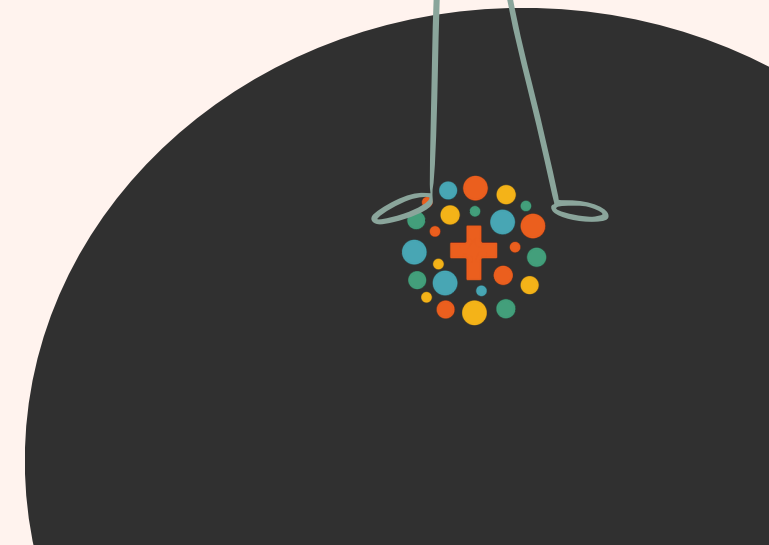

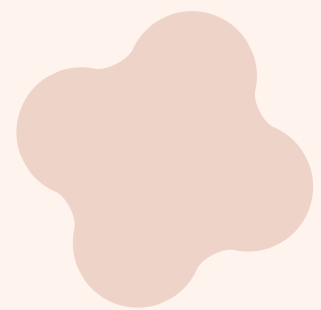

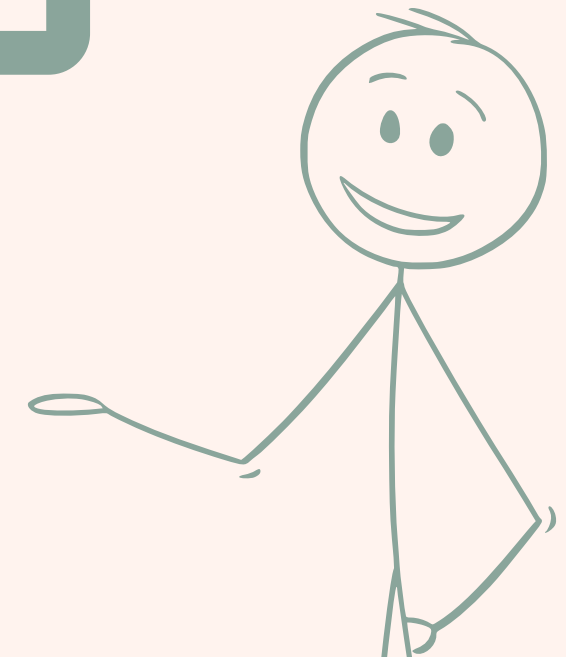

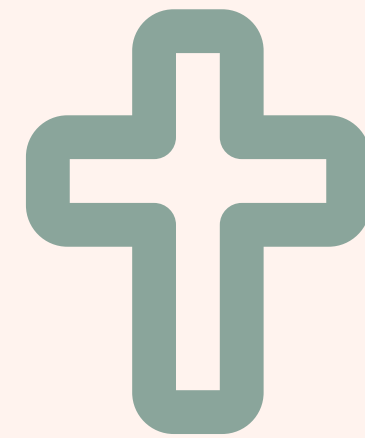

It is
language
or
dialect,

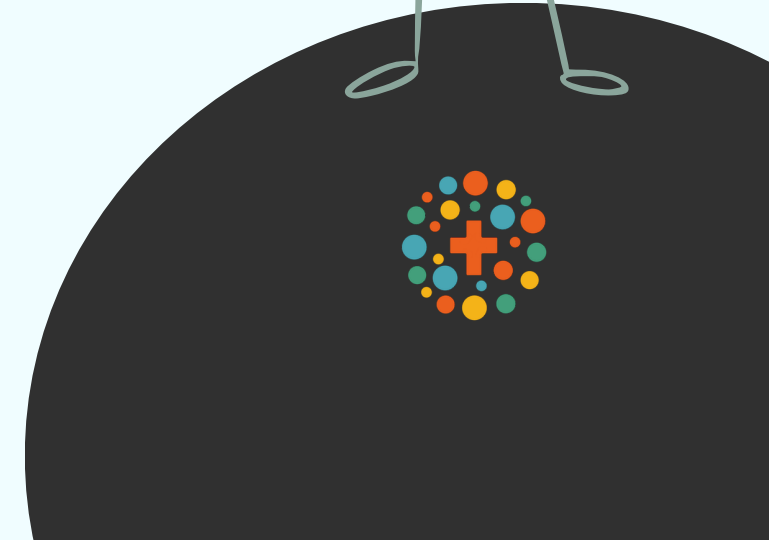

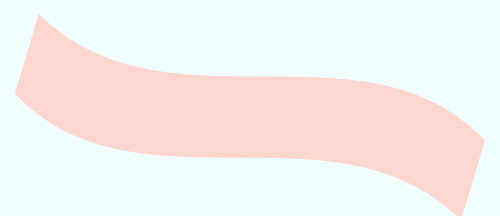

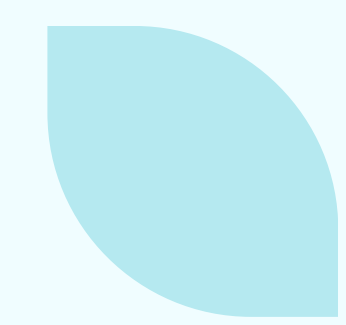

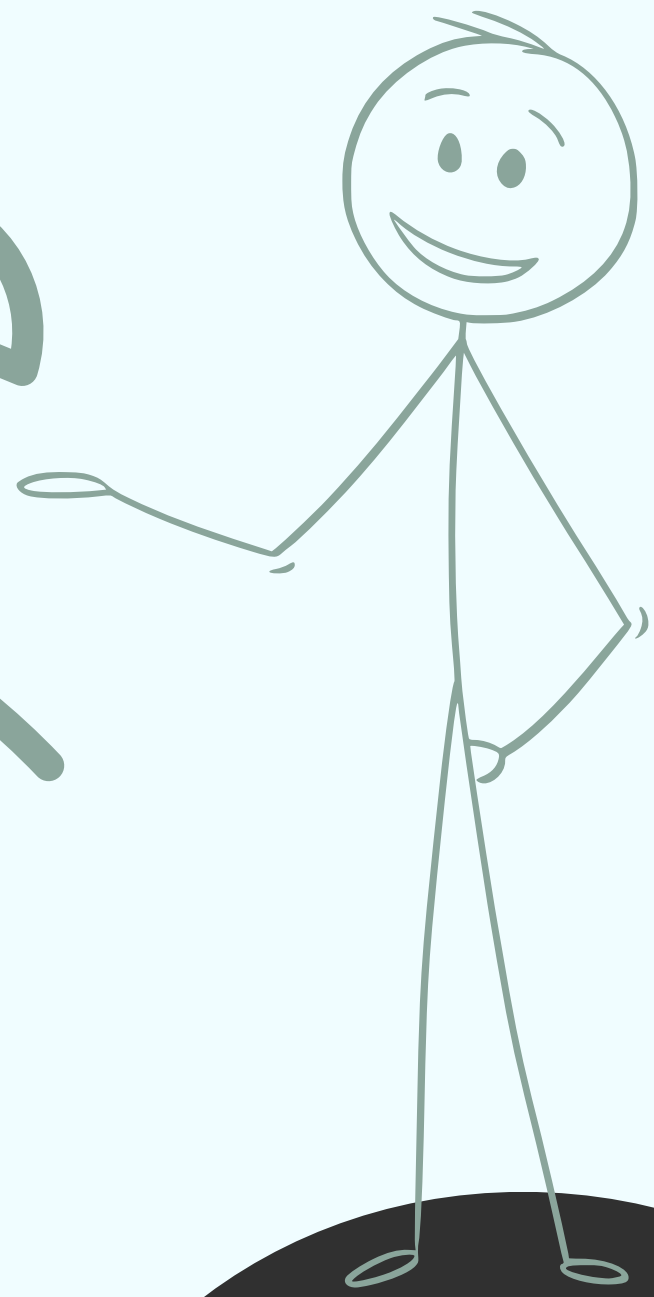

it is

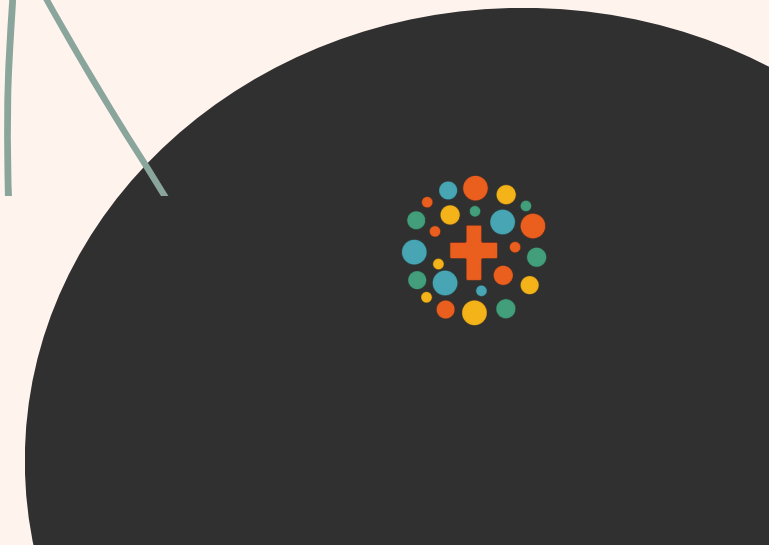

religion:

It is
culture
or
ethnicity,

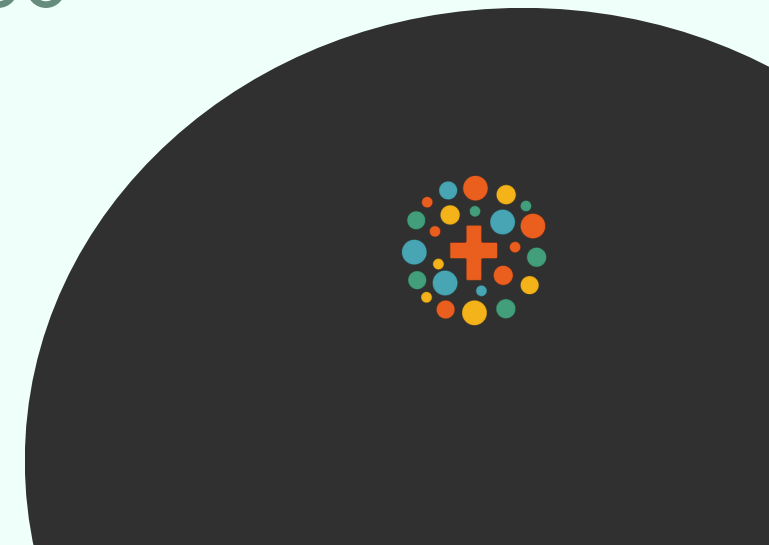

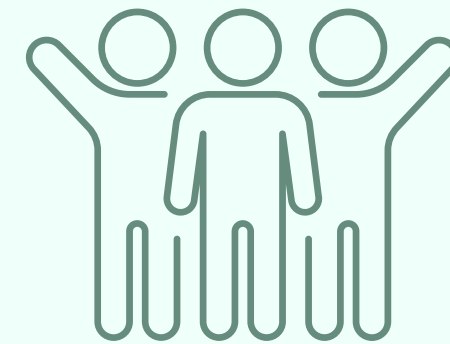

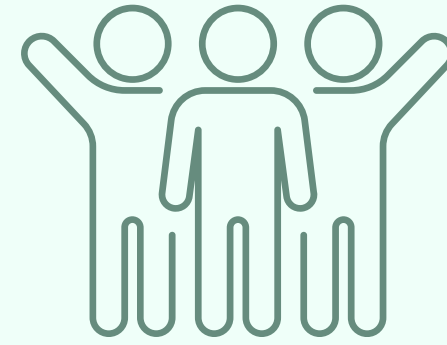

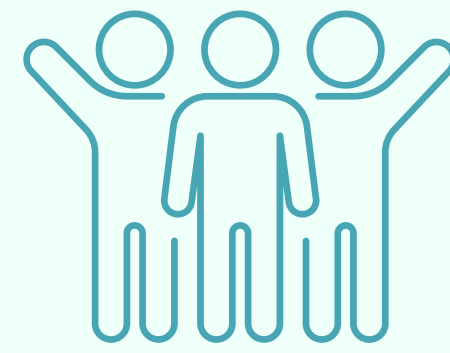

it is
residence
or
location.

**These
differences
make different
people groups.**

There are many
different
people groups
throughout the
whole world.

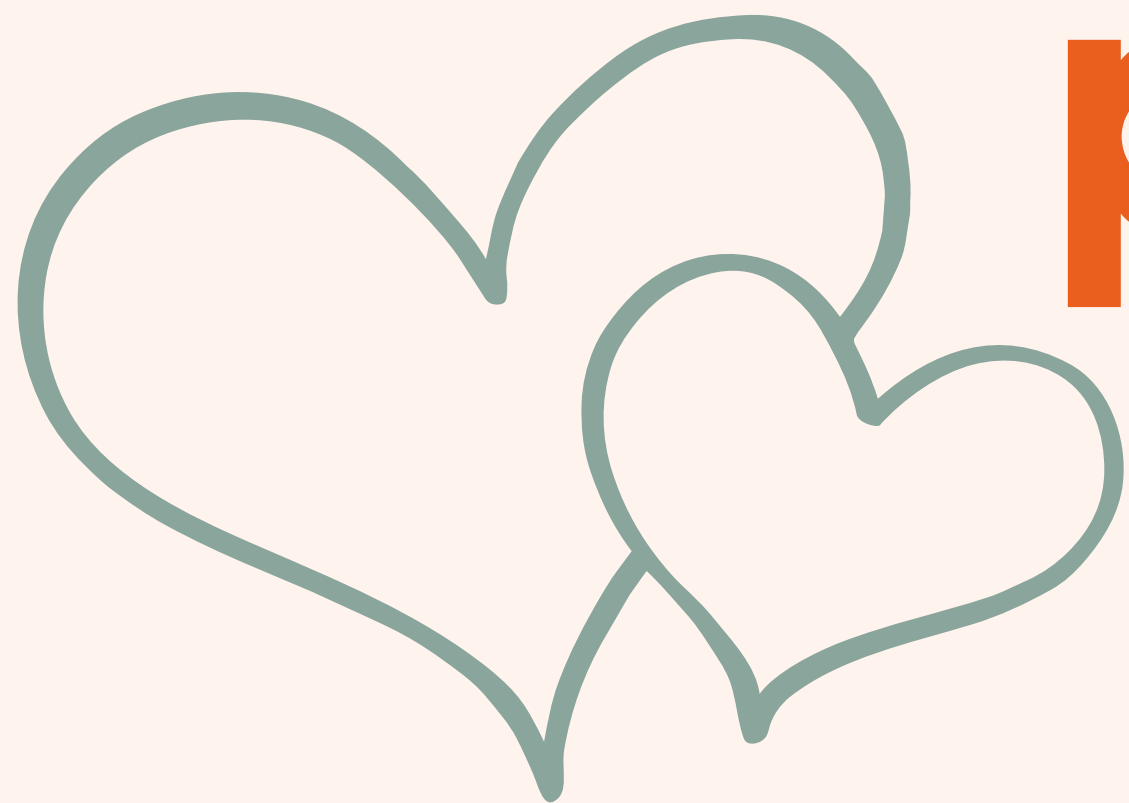

Each are...

loved and known
by God equally.

He created all
people groups.

However,

all people groups do not

know

or

love

Him;

Maybe because of...

their
language
or
dialect,

their
religion,

**their
culture
or
ethnicity,**

**or their residence
or
location.**

All people groups are special and different, but some people groups still need to learn who **God really is.**

Since **people groups**
are different, we pray
for and reach
each differently:

through studying their **language,**

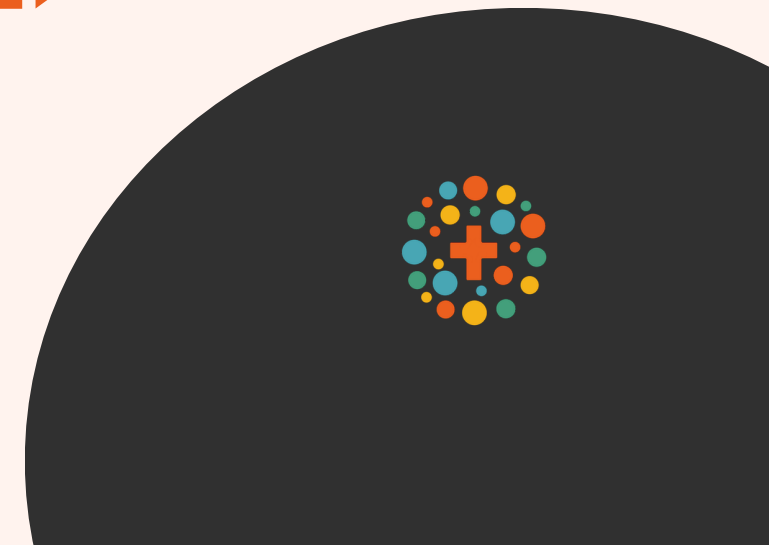

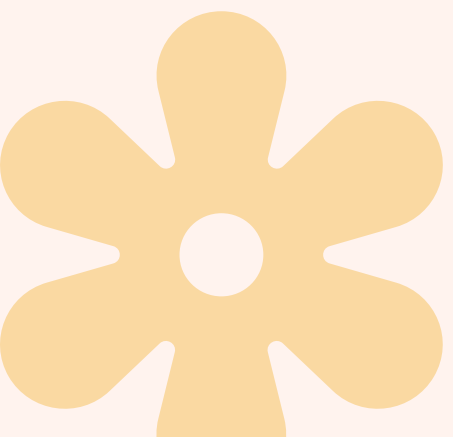

learning their **religion,**

adapting to their **culture,**

or experiencing their **location;**

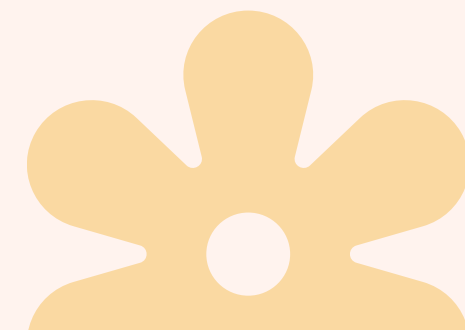

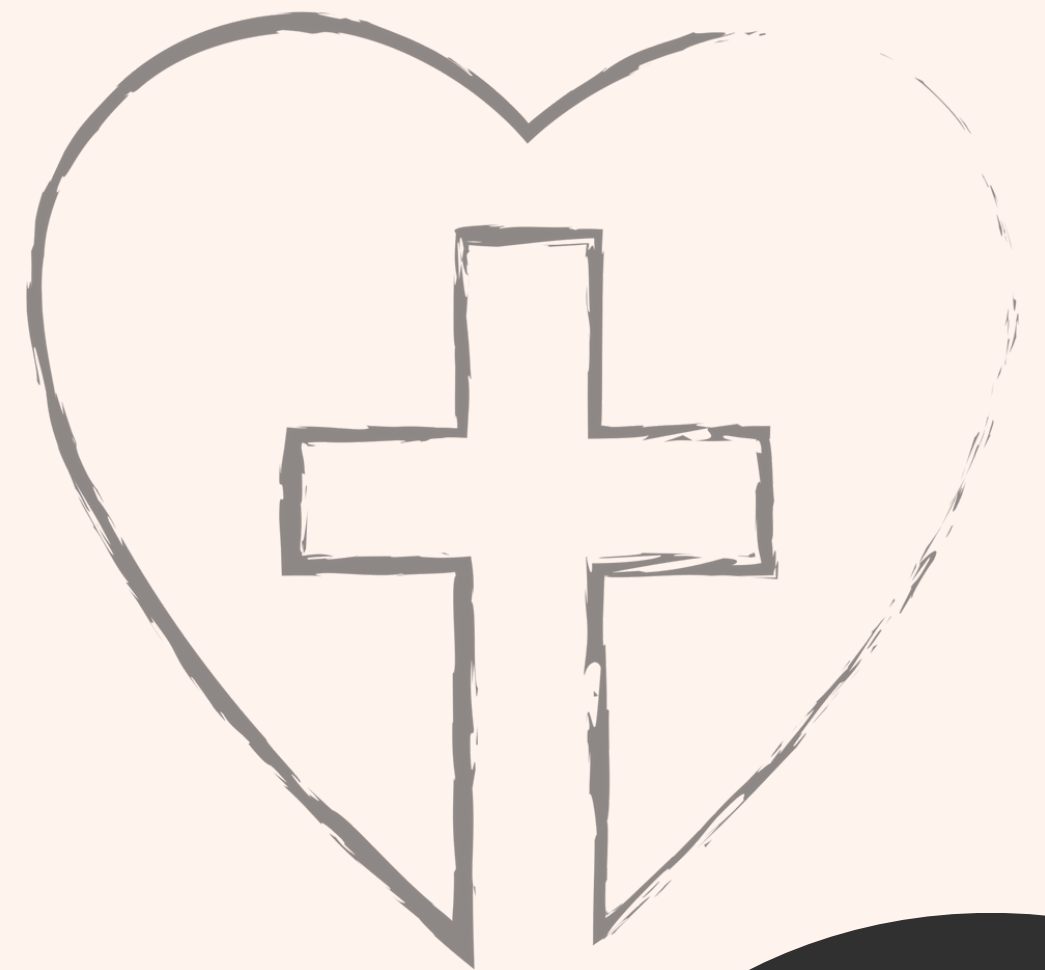

remembering...

“...all (people groups) will
know me,
from the least
to the greatest...”

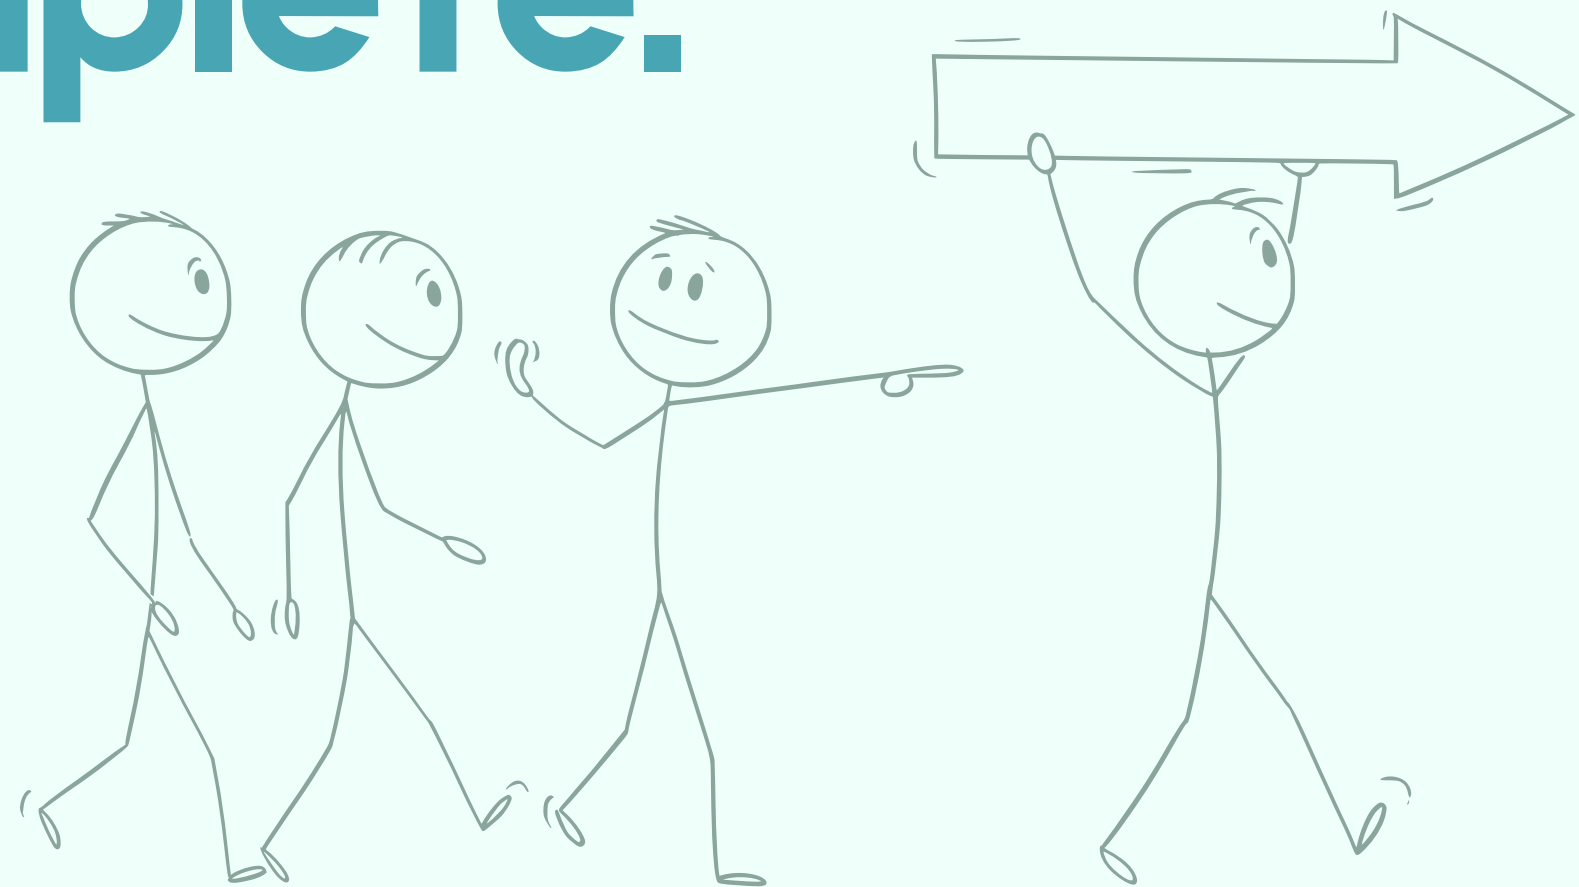

Jeremiah 31: 34 GNT

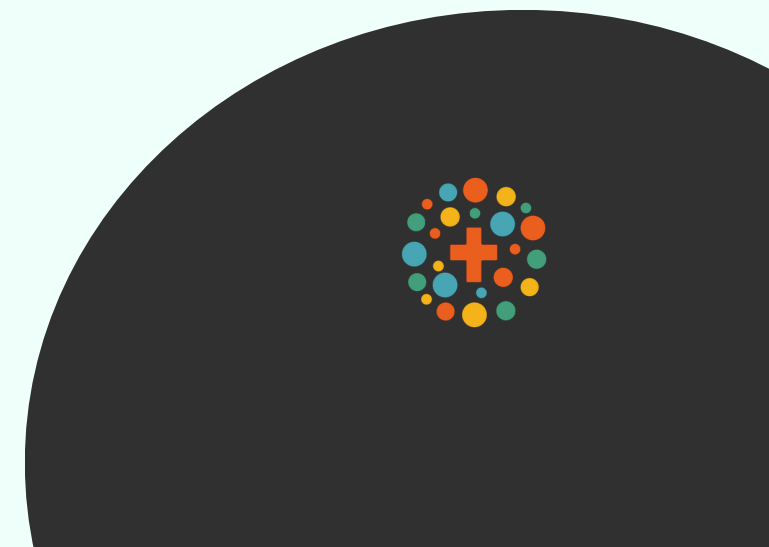

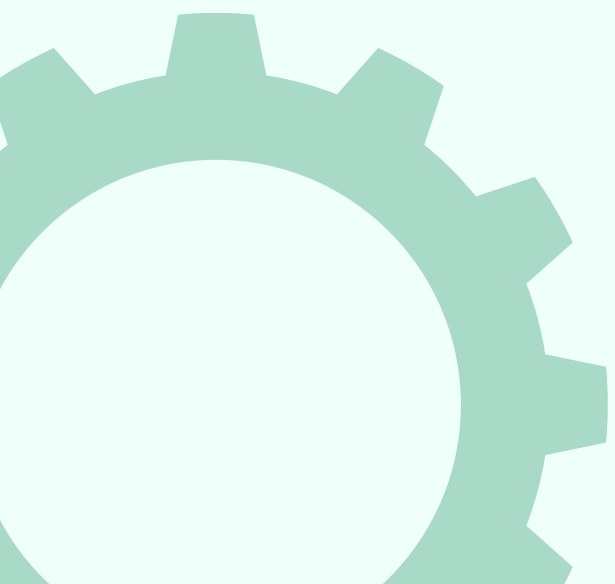

The task is unfinished.

**The Great Commission
is incomplete.**

remember...

You have learned to study
about the Unreached and pray
for the Unreached;
and now you know what a
PEOPLE GROUP
is to do both of these better.

We have to help Jesus complete
the Great Commission so that
the whole world is
reached.

With prayer and learning
and knowing each people group.

Remember...

**All the ends of the earth will
remember and turn to the Lord,
and all the families of the nations
will bow down before
him.**

Psalm 22:27
