

Atta Berber in Morocco

Rather than calling themselves "Berbers," they refer to themselves by the name of their particular subgroup. Berbers also use the overarching term "Imazighen." The arrival of Arabs in Morocco in the seventh century resulted in the gradual conversion of some Berbers to Islam. It was not until the thirteenth century, however, with the arrival of large numbers of Arabs from the Middle East, that the majority of Berbers accepted Islam, learned the Arabic language and were assimilated into Arab culture.

Ministry Obstacles

Morocco does not provide easy access for Christian influence.

Outreach Ideas
