

Chara in Ethiopia

The Chara make their living through farming. They had a high population until they were decimated through war and frequent slave raids. Along with their ethnic religion, the Chara practice a syncretized form of Orthodox Christianity.

Obstacles

A twisted form of Christianity keeps these people from embracing the truth of the Savior.

Outreach Ideas

Those who want to take Christ to the Chara people will want to write worship music within the bounds of their culture. They can also write skits based on the Gospels, so the Chara people can understand who Jesus really is.

Prayer Focus

Pray for the Lord to raise up, prepare and send out those who will use gospel materials and take them to the Chara people. Pray there would soon come a day when Chara disciples will make more disciples.
