

Kadazan Dusun in Brunei

Kadazan Dusun people groups are primarily agriculturalists growing rice, vegetables and raising animals. Many are employed in the timber industry. Village life is usually communal, but those in urban areas tend to be less so. Although many hold on to certain aspects of their culture, the lifestyle of the Kadazan Dusun in the urban and developed areas is quite different from those in the remote rural areas.

Ministry Obstacles

Islamic teachers usually tell people that Christianity is inaccurate, and that their prophet Mohammed had the final word. Brunei is also a difficult place to go as a Christ bearer.
