

Dargins in Ukraine

The Dargins are one of the larger people groups of southwestern Russia's Caucasus Region. This area is very volatile, and violence can erupt at any time. This violence might be between Russian forces and Dargin separatists or between rival Dargin groups. For this reason, some Dargins have fled to Ukraine to be a relatively peaceful place to live... until recently. Many still live in Ukraine.

Ministry Obstacles

Islam and distrust are two key spiritual impediments for the Dargin people. They have been abused by the Russians in their homeland, and they tend to not trust anyone outside their community. Anyone who wishes to share Christ with them must overcome this.

Outreach Ideas

Dargin friendships can be so close that they will do anything for one another. Whoever wants to reach them for Christ must first become their trusted friend.
