

French Jews in France

Jews have been living in France for at least 2,000 years. Their ancestors arrived in the region during the Roman Empire. Since then, they have had a strong influence on the development of Europe, as well as on the traditions of Jews throughout the world. In France, as in other parts of Europe, they have faced waves of persecution.

Obstacles

Many Jews in the younger generation are disconnected from their Jewish identity. They don't observe Jewish traditions and are swiftly being assimilated into French culture. Like most of France and Europe, they are increasingly secular and disinterested in spiritual matters.

Outreach Ideas

Mission activity focused on students, sports and social networks could be effective in reaching the younger generation of Jews in France.

Prayer Focus

Pray for God to give mission organizations innovative ideas for
