

Albanian in Sweden

The Albanian have a small population compared with other Muslim groups in Sweden. More of them are applying to settle in Sweden each year because they want better economic opportunities than they have in Albania.

Ministry Obstacles

There are so few Albanians in Sweden that establishing any real ministry may be difficult. Establishing an Albanian Church in Sweden will require outsiders to learn their language and culture.

Outreach Ideas

Radio and other media sources, along with existing believers, may be useful for outreach. Outsiders will need to train Albanian Christian believers how to disciple others in Christ's ways.

Prayer Focus

Pray that the Albanians in Sweden would have a strong community surrounding them. Pray that their basic needs would be met. Pray for the Lord to bless the Albanians spiritually and economically, so they
