

Gil Bedouin in Morocco

Gil Bedouins traditionally live a nomadic lifestyle. The word "Bedouin" comes from the Arab word "bedou," meaning "desert dweller." Nomadic Bedouins number about one-tenth of the population of the Middle East. Bedouin life is generally pastoral, raising camels, sheep, goats, and cattle.

Ministry Obstacles

It is almost impossible to find Christians who are willing to live the lifestyle of nomadic people for the sake of the gospel. It will take hearty believers who can and will live among them for years, learn their language and share the gospel in a way that makes sense in their culture.

Outreach Ideas

Believers who are willing to live like Bedouins can share the JESUS Film and gospel recordings.

Prayer Focus

Pray that believers who encounter Gil Bedouins would use opportunities to develop friendships with them and earn their respect to speak the truth of the gospel to them. Pray for courage

SCRIPTURE Together they (the beast and his forces of evil) will go to war against the Lamb, but the Lamb will defeat them because he is Lord of all lords and King of all kings. And his called and chosen and faithful ones will be with him. Rev 17:14

PRAY that this people group understands the fact that the Lamb's victory over evil is assured. Pray that many in this people group will choose to be the faithful ones of the Lamb of God.
