

Ugandan Hindi in Uganda

There is a Hindi speaking diaspora from South Asia living in Uganda and much of the Ugandan economy is controlled by these South Asian descendants. Most of the Hindi speaking population practices Hinduism. Some treat Hinduism as a philosophy while others treat it as a religion.

Obstacles

There are no known believers within the Hindi speaking diaspora in Uganda. This makes it difficult for the gospel to gain traction among them.

Outreach Ideas

Pray for local Ugandan Christians to shine the light of Christ and reach out to unbelievers of all backgrounds in Uganda. The local churches could facilitate outreach programs to share the gospel with the local Hindu population. Since both India and Uganda are former British colonies, they can celebrate India's independence day together.

Prayer Focus

Pray for the Hindi speakers in Uganda to have hearts that are open to the abundant blessings of Jesus Christ. Pray for a movement to Christ

SCRIPTURE ... a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, Salvation belongs to our God who sits on the throne, and to the Lamb! (Revelation 7:9-10)

PRAY that many members of this people group will be part of the vast crowd praising God in heaven.
