

Kim Mun in Vietnam

“My daughter is a 72-ounce silver girl, not a 12-ounce one!” According to tradition, a Kim Mun young man has to pay a price in silver to his bride’s parents to obtain her release. A young woman’s price is based on her beauty and health. Another unusual Kim Mun custom is that a girl bites the arm of her boyfriend to show her interest in him. Almost all Kim Mun practice folk religion and veneration of their ancestors.
