

# Lao Phuan in Cambodia

**L**ike most peoples in Cambodia and Laos, the Lao Phuan are rice farmers. Their households raise livestock, and they supplement their diet with freshwater fish. They also raise silkworms, which produce thread for the fine garments that they either wear or sell.

## Ministry Obstacles

The Lao Phuan people try hard to maintain their traditions. This might mean that they are resistant to outside ideas, including the life-changing gospel.

## Outreach Ideas

People can produce skits and songs in the local language that highlight the protection and the transforming grace of the Lord for those who call on his name.

## Prayer Focus

Pray for the few believers among the Lao Phuan people to be transformed by the power of the Holy Spirit. Pray for spiritual openness among the Lao Phuan people of Cambodia and Laos. Pray for the Lao Phuan people to have the chance to hear the gospel in
