

Sudanese Arab in Italy

A small number of Sudanese Arabs now live in Italy. Having fled the poverty and violence of Sudan, they appreciate the peace of their newfound home in Italy and are taking advantage of opportunities for education and work.

Ministry Obstacles

Most of the Sudanese Arabs practice Islam. They believe that the teachings of the Koran and the prophet Mohammad are far closer to God's will than the teachings of the Bible.

Outreach Ideas

As the Sudanese Arabs engage with Italian society, they may become more open to outreach. Sharing the gospel, especially with the younger generation, could yield a tremendous harvest.

Prayer Focus

There is a small Sudanese Arab church in Italy. Pray for believers to demonstrate God's love to their Muslim Sudanese families and friends and make the good news known among them. Ask God to open the spiritual eyes of the Sudanese Arabs
