Ad Dharmi in India

Most Ad Dharmi people of India make their living by tanning hides and making leather items. Working in leather is seen as a low caste profession by other Hindus. Hinduism is the ancient religion of India, and the large majority of Ad Dharmi are Hindus. The literacy of the ad Dharmi rate probably has risen in recent years to exceed the 50% mark.

Ministry Obstacles
Low literacy rate can hinder the coming of the gospel if it comes only in written form.

Outreach Ideas
Radio programs in Eastern Punjabi can present the claims of Jesus Christ to the Ad Dharmi.

Prayer Focus
There are few, if any, followers of Christ among this Hindu-majority group. Pray for the Holy Spirit to send workers to share the gospel with the Ad Dharmi. Pray for movements to Jesus to sweep through Ad Dharmi families, permeating the group from within. Pray for new Ad Dharmi Christian believers to fully understand the way of salvation and be zealous to know and follow the Lord. Pray for the Ad Dharmi community to be able to care adequately for their families and be able to send their children to school.
