

Bodh (Buddhist) in India

Rain is scarce and the terrain is inhospitable. The small, terraced fields near riverbeds are victim to the regular intrusion of boulders and loose rocks from above. This is where the Bodh people live. It is very difficult for them to support livestock or grow crops in such a harsh climate, and the spiritual climate is no less harsh. The Bodh depend heavily on shamans to take care of their spiritual needs, and the favor of the spirits comes at a heavy price.

Ministry Obstacles

The remoteness of the Bodh Himalayan homeland makes them harder to reach. In addition, there are strong spiritual barriers that have not been challenged for centuries.

Outreach Ideas

Believers in India can carry the message of Christ to the Bodh people – believers with the ability to climb the high mountains and overcome the obstacles of Satan, leaning entirely on the power of the Holy Spirit.

Prayer Focus

Ask God to lead faithful workers to reach out to the Bodh people with the
