

Halwakki Wakkal in India

The name Halwakki refers to milk and rice. Not surprisingly, animal husbandry (for milk) and horticulture (for rice) are their main occupations. They use both traditional and modern medicines in their communities, and the people are allowed to marry cousins. Their language is Kannada, and most of the Halwakki Wakkal people live in Karnataka, which is a southwestern state on the coast of the Arabian Sea.

Ministry Obstacles

The Halwakki Wakkal people practice Hinduism. Religious systems often stand in the way of seeking and finding the true Lord of lords.

Outreach Ideas

Pray that the young people will come across gospel materials and internet resources that will lead them to the Lord. The complete Bible is available in their language, Kannada.
