

Hindu Jogi in Bangladesh

The Hindu Jogi people of Bangladesh are followers of yoga. They are made up of religious mendicants (i.e., beggars) of the various Jogi orders, and of people who live by fortune telling, practicing exorcisms and divination. Many Muslims in Bangladesh feel that the Jogi people are a threat to Islam.

Ministry Obstacles

There are only a few believers within this people group. Being Hindu is part of the Jogis' community identity.

Outreach Ideas

It will take much prayer to break down the spiritual barriers before anyone attempts to reach out to the Jogi people.

Prayer Focus

A few from the Jogi community have reported themselves as Christians in the census. Pray that these believers can find Bible believing churches. Pray the Jogi would be able to find employment to improve their standard of living and provide for their families. Pray that there would be many Christian workers called and anointed by God to take the gospel to the Jogi
