

Mahratta in India

The Mahratta (or Maratha) are a large influential community in the state of Maharashtra. The main hero of the group is Shivaji. The main objective of a middle-class Mahratta family is a secure future for themselves and their children, so financial success is a dominant concern.

Ministry Obstacles

Traditional church-planting efforts sought to win individual Mahratta away from their families into new church communities. This led their community leaders to believe that Christianity was something to be avoided because it was seen as destructive to families.

Outreach Ideas

Scripture stories told in the languages of the Mahratta and discussed in households may open the door to God's blessing and healing for Mahratta families and communities.

Prayer Focus
