

Mussali in Pakistan

In Pakistan, some Hindus were forced to become Muslims. However, their religion is a mixture of Islam and Hinduism. The Mussali are the Muslim equivalent of “untouchables” and work the worst type of jobs. They long for and deserve better situations.

Ministry Obstacles

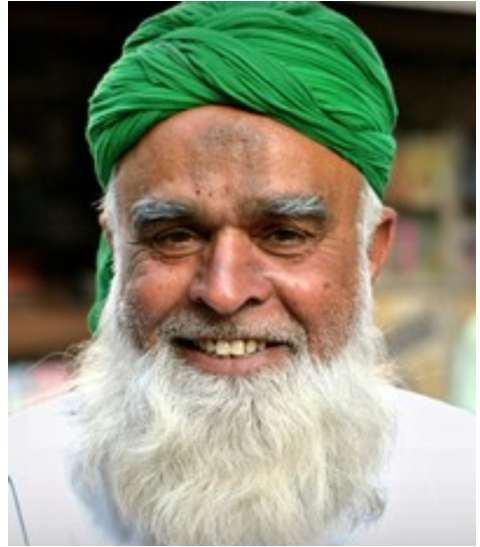

Pakistan is a “creative access” country. Islam teaches that the Bible is “corrupted” and, therefore, not trustworthy. The Christian church in South Asia is not caste-free, and this works against the teachings of the Bible.

Outreach Ideas

Specific job skills in the area of development might gain one entrance to Pakistan. Entry as a foreign graduate student in sociology or anthropology focusing on the Mussali might help one get into Pakistan.

Prayer Focus

Pray the Pakistani church would seek to disciple the Mussali and would seek to rid itself of casteism. Pray for the Mussali people to be open to Christian witness and ministry; may
