

# Deaf in North Korea

None of the schools for the Deaf in North Korea are in the capital Pyongyang. A big problem is not getting to meet with and diagnose preschool children who are at home with their families, who do not have knowledge of deafness and the help they can receive. There is some progress in creating the first kindergarten for the Deaf in Pyongyang. There is a Deaf North Korean football team that travels abroad.

## Ministry Obstacles

The North Korean government has strong hostility toward any religious beliefs that interfere with the desires of their dictator.

## Outreach Ideas

Pray for Holy Spirit-led Christians who can teach the Deaf to gain entry into North Korea.

## Prayer Focus

Pray that the Church would remain true to Jesus amid persecution and that it would reach out to non-believers. Pray that when they travel abroad, the Deaf North Korean footballers would be given the gospel message, come to Jesus Christ, and
