

Slovak-speaking Jew in Slovakia

Jews have been in Slovakia since the 14th century. They have been persecuted severely throughout Slovakian history. Through the centuries most Slovakian Jews moved to cities and acquired skills as artisans, merchants and shopkeepers. Jewish people in Slovakia need the opportunity to understand the perfect justice of the gospel of Jesus Christ, who loves them and laid down his life for them.

Ministry Obstacles

Although they continue to experience separation from other Slovakian people, their religion is largely inward-looking. They seldom discuss spiritual matters with outsiders.

Outreach Ideas

The complete Bible has been printed in Slovakian, and audio and visual resources are available for the Slovakian Jewish people. Jewish people working in Slovakian cities may be reached by Jesus followers as they meet in the business world. Someone needs to go to them.
