

Nikhad Gadaria in India

The name Gadaria means "one who tends sheep." Raising sheep and goats has been the traditional occupation of the Gadaria people of north India. A sub-group of the larger Gadaria people who live in the Indian state of Uttar Pradesh is the Nikhad Gadaria.

Ministry Obstacles

There are relatively very few Christian believers in Uttar Pradesh. This is a region where about one in a thousand is a Christian of any kind.

Outreach Ideas

Workers from more Christianized parts of India can go to the Nikhad Gadaria. Veterinarians can live among them to help with the medical needs of their livestock and teach the ways of the Good Shepherd.

Prayer Focus

We don't know of any followers of Christ among the Nikhad Gadaria. Pray for the Lord to move among them this decade. Ask the Lord to send workers to the Nikhad Gadaria to meet their spiritual and physical needs. Pray that Nikhad parents
